SUBJECT: Award of Constructive Credit for MOS 79V BNCOC Phase II

1. The Commandant, Recruiting and Retention School CMF 79 Proponent has awarded constructive credit for MOS 79V BNCOC Phase II. Critical review and staffing through the US Army Training and Doctrine Command received concurrence to this action.

2. There is no Phase II BNCOC available for MOS 79V. Soldiers in MOS 79V receive all skill training and critical tasks for skill level 30 during attendance in course 921-180 (USAR Retention and Transition NCO Course), which is conducted prior to reclassification to MOS 79V. Because of the unique requirements within this MOS, authorized positions start at skill level 40. The next level of required training is the Advanced Noncommissioned Officer Course.

3. Point of contact for this request is SGM Butler, Chief Career Management NCO, CMF 79 at (803) 751-8807.
