

Senior Combat Trainer / Observer Controller Trainer
Skill Level 5 (MSG)

The Combat Trainer Academy provides the institutional knowledge governing the "Be, Know and Do" of training techniques and procedures designed for combat trainers at the National Training Center. Senior Combat Trainers then observe unit performance, control engagements and operations, teach doctrine, coach to improve unit performance, monitor safety and conduct professional after action reviews (AARs).

Senior Observer Controllers / Trainers (OC/T) have a duty to the training unit and Army to observe unit performance, control engagements and operations, teach doctrine, coach to improve unit performance, monitor safety and conduct professional after action reviews (AARs). Senior OC/Ts are required to have successfully performed the duties of their counter-part. They constantly strive for personal and professional development and are well versed in current operational doctrine and tactics, techniques, and procedures.
