

**Intelligence Senior Sergeant**  
**Skill Level 5 (MSG)**

The Intelligence Senior Sergeant serves as the principal enlisted assistant to commanders and heads of staff elements, and as staff NCO for major commands, in multi-echelon, joint and combined intelligence organizations; supervises intelligence surveillance, collection, analysis, processing, and distribution activities at all echelons. Supervises activities pertaining to organization and training of tactical and technical operations; coordinate operating requirements of subordinate units with major supported units; reviews, evaluates, prepares and executes intelligence asset(s), deployment, employment, and redeployment plans and orders; supervises intelligence operations in Corps and Echelon Above Corps (EAC) Analysis and Control Elements (ACE); reviews intelligence doctrinal publications and prepares recommended changes. Compares MTOE and TDA authorization documents with Intelligence missions and functions and recommends revisions. The purpose of the Senior Intelligence Sergeant Career Progression Plan is to inform Soldiers how their career and professional development should unfold. Attaining MOS 35X requires demonstrated potential in both technical skills and leadership abilities.

The key assignments for a MSG are 1SG and BCT S2 NCOIC. It is beneficial for career development to serve as a 1SG or a BCT S2 NCOIC for at least 24 months (may consist of one or more assignments). Important assignments for MSG are Operations Sergeant, Branch Chief, NCOA Instructor, and Chief Instructor. MOS 35X can serve in the following positions at this skill level: Deputy Commandant, and Senior Intelligence Sergeant. The following additional assignments should be considered demanding assignments: Great Skills Program, Special Missions Units, ACE/TGIC/CACC NCOIC, Fusion NCOIC, ISR Synchronization Manager, RDTE NCO, TECHINT NCO, Committee Chief/Senior Training Developer, and BCT S2 NCOIC.
